

A range of Bathroom and Shower accessories designed for use by the young and elderly and by those with limited mobility.

Raised Toilet Seat & Cover

- **Contoured and comfortable plastic Toilet Seat & Cover. Three height options are available, each designed to increase the height of an existing pan by approximately 2" (50mm), 4" (100mm) or 6" (150mm).**
- **Featuring front and rear recesses to facilitate personal hygiene**
- **Includes a Contoured Cover which, if necessary, may be easily removed.**
- **Maximum user weight: 190Kg/30 Stone**

No interruption – in the majority of applications, it will not be necessary to remove the existing Seat & Cover.

Safe & Secure – the inside of the Seat features a 25mm deep peripheral lip which extends into the WC Pan, while the outside incorporates a front drop down retaining lip. Both features combine to provide for a correctly and securely located user friendly Toilet Seat.

Instant solution – no need to change your existing WC Pan for another kind.

Hygienic – made of a durable and high sheen finish moulded plastic which requires only a wipe of a damp cloth and which is not adversely affected by the use of domestic household chemical cleaners.

Simple to install – no tools are required. It simply sits on top of existing WC Pan and is fixed by tightening a plastic buffered bracket on each side. Can be quickly and effortlessly fitted and removed as required.
