

**A range of Bathroom and Shower accessories designed for use by the young and elderly and by those with limited mobility.**

## **Adjustable Bath Seat with Backrest**

This Seat, once assembled, simply rests on the top edges of the bath. It features plastic buffers which both prevent it from moving and damaging the surface of the bath.

**Manufactured from Stainless Steel  
and High Quality ABS Plastic**

**● Maximum user weight: 100Kg/16 Stone**
